NO MATTER WHAT! WE ALWAYS CARE

www.naf.ae

ABOUT US

Najmat Al Reef in alliance with various industries to set up a modern factory for the manufacture of:

- Superior quality personal care products
- Household cleaning solutions
- Detergents & other chemical solutions that include automotive maintenance products.

Recently the company has started manufacturing personal care products, SAF, the home care range of household cleaners, industrial cleaning products & car care products.

Our obsession for better hygiene products has given us the opportunity to position ourselves in the Middle East market. The main business activity revolves on supplying the most innovative and state of the art technology in machines, dispensers, paper & disposable products, janitorial systems, cleaning and industrial chemicals, non-woven and micro-fibre wipes. We cater to a large customer base namely corporate institutions, hospitals, hotels, catering & cleaning companies, industrial workshops, automotive industries etc.

MISSION & VISION

- Be the preferred versatile group that provides cost effective and innovative products in Facilities and housekeeping, providing products and services to hospitality sector through professionalism and cohesiveness
- By harnessing and utilizing the environment that creates user friendly, eco-friendly, bio degradable, high quality cleaning and chemical solutions ranging from cleaning, plastic and paper products that is resourceful and takes care of the day to day house-keeping needs.
